[The concerns of Indian philosophy are the concerns of
human life everywhere. Badrinath talks about the history of
the words 'Hindu' and 'Hinduism', Islam in relation with
Hinduism, the issues that arose from the spread of
Christianity in India, Jainism and Buddhism as part of
dharma and darshana, and explains why organized violence
in the service of religious fundamentalism is the very
negation of religion with its reverence for life.]

Jain Approaches to Plurality: identity as dialogue.

(Currents of Encounter, v. 55) xii,232p Leiden 2018
9789004339309 Brill/ Rodopi (50279) Pap ¥10143

[Jaina philosophy -- Anekāntavāda

In 'Jain Approaches to Plurality' Melanie Barbato offers a
new perspective on the Jain teaching of plurality
(‘anekantavada’) and how it allowed Jains to engage with
other discourses from Indian inter-school philosophy to

global interreligious dialogue. Jainism, one of the world's oldest religions, has managed to both adapt and preserve its identity across time through its inherently dialogical outlook. Drawing on a wide range of textual sources and original research in India, Barbato analyses the encounters between Jains and non-Jains in the classical, colonial and global context. 'Jain Approaches to Plurality' offers a comprehensive introduction to 'anekantavada' as a non-Western resource for understanding plurality and engaging in dialogue.]

First Words, Last words: new theories for reading old texts in sixteenth-century India. (AAR Religion in Translation)

xi,191p Oxford 2021 9780197583470 Oxford U.P.

(52140) ₹11662

[Vedas -- Mimamsa -- Hermeneutics -- History

First Words, Last Words charts an intense "pamphlet war" that took place in sixteenth-century South India. Yigal Bronner and Lawrence McCrea explore this controversy as a case study in the dynamics of innovation in early modern India, a time of great intellectual innovation. This debate took place within the traditional discourses of Vedic Hermeneutics, or Mīmāṃsā, and its increasingly influential sibling discipline of Vedānta, and its proponents among the leading intellectuals and public figures of the period.]

[Aṣṭādhyāyī (Pāṇini) -- Pāṇini -- Sanskrit language Grammar Sanskrit philology -- Vedic language]

The essays in this volume represent research by George Cardona that centers on Indian thinking in the domain of grammar (vyākaraṇa). Pride of place is given to Pāṇini's śabdānuśāsana and its core, the Aṣṭādhyāyī. These essays treat both Pāṇini's theory and methodology and how these are related to the works of other Indian scholars in fields

such as etymology (Yāska's Nirukta), early padapāṭhas for Vedic saṁhitās (e.g. Śākalya), prātiśākhya (e.g. Śaunaka's Ṛgvedapraṭiśākhya), śikṣā, ritual exegesis (mīmāṃsā), and logic (nyāya). Questions of relative chronology are also considered, as well as early Indian treatments of data that reflect historical linguistic developments. Emphasis is placed on philology: close attention to and appreciation of texts and their traditions before going on to a broader theoretical and historical context.]

Religions of Early India: A Cultural History.

576p. illus. Princeton 2024 9780691199269 (53295)

¥7071

[In this ambitious and wide-ranging chronicle, Richard Davis offers a history of India's myriad religious cultures that spans two thousand years, from 1300 BCE to 700 CE. India, Davis writes, was not only the birthplace of the religions we now know as Hinduism, Buddhism, and Jainism. It was also the home of other, often unnamed religions that can be classified as "folk" or "popular" religions. Tracing these intertwined practices, Davis shows that the ardent and heterogeneous religious cultures of early India came to define and redefine themselves in relation to one another.]

Against Dharma: dissent in the ancient Indian sciences of sex and politics. xvi,226p New Haven 2018

9780300216196 Yale U.P. (50694) ₹4602

[Dharma -- Religion and politics - India - History

An esteemed scholar of Hinduism presents a

groundbreaking interpretation of ancient Indian texts and their historic influence on subversive resistance. Ancient Hindu texts speak of the three aims of human life: dharma, artha, and kama. Translated, these might be called religion, politics, and pleasure, and each is held to be an essential requirement of a full life. Balance among the three is a goal not always met, however, and dharma has historically taken precedence over the other two qualities in Hindu life. Here, historian of religions Wendy Doniger offers a spirited and close reading of ancient Indian writings, unpacking a long but unrecognized history of opposition against dharma.]

Grinshpon, Yohanan

Silence Unheard: deathly otherness in Pātañjala-Yoga.

(SUNY Series in Hindu Studies) xii,156p Albany 2002 9780791451021 SUNY (50887) Pap ₹3240

[The Yogasutra represents an intellectual's conceptualization of utter otherness rather than the yogin's verbalization of silence. Silence Unheard focuses on the yogin's supra-normal experiences (siddhis) as well as on the classification of silences and the ultimate goal of disintegration through guna balance. The book provides a translation of the Yogasutra divided into two sections: an essential text, concerning the yoga practitioner, and a secondary text, concerning the philosopher. Grinshpon also surveys the encounters of intellectuals, scholars, seekers, devotees, and outsiders with the Yogasutra.]

Guhe, Eberhard

An Indian Theory of Defeasible Reasoning: the doctrine of Upādhi in the Upādhidarpana. (Harvard Oriental

Series, 97) x,304p Cambridge, Mass. 2022

9780674273412 Harvard U.P. (52049) ₹8850

[The anonymous pre-Gangeśa Navya-Nyāya treatise Upādhidarpana (UD) deals exclusively with the so-called upādhi, a key concept in the Navya-Nyāya theory of inference. The present volume contains the first published edition and translation of the only extant manuscript of the UD. Numerous notes have been added to the translation in order to elucidate the contents and to give a clue to the historical context, as regards authors, works, and philosophical doctrines that are referenced in the UD.]

Hanneder, Jürgen

To Edit or Not to Edit: on textual criticism of Sanskrit works.

(Pune Indological Series, I) xiii,231p Pune/New Delhi 2017 9788177421644 Aditya Prakashan (50475)
₹5400

[[a series of lectures delivered at the Ecole Pratique des Hautes Etudes Paris, March 2015]

This volume grew out of efforts to teach the textual criticism of Sanskrit works in theory and practice. It covers the general theory of textual criticism, its history and practice in Sanskrit studies, and tries to offer concrete examples of newly edited texts in order to show that Sanskrit editing is not so much a specialist knowledge, but a basic skill for Sanskrit readers.

"To edit or not to edit" will appeal to specialists with interests in fields such as Sanskrit philology and textual criticism, history of Indology, old, medieval, and modern Sanskrit texts from Kashmir, as well as Indo-Persian studies.]

[Kamandaki's Nītisāra, or The Essence of Politics, redefined

the field of political thought in early medieval India and

became one of the most influential works in the genre across South and Southeast Asia. It was likely written during or shortly after the Gupta Empire (c. 325-550 C.E.) and enjoyed wide popularity for nearly a millennium. An elegant introduction to the intricacies of statecraft, The Essence of Politics encompasses virtually all aspects of elite social life, making it indispensable for generals, spies, ministers, and other members of the royal court, especially poets writing about war and conquest]

[Sanskrit language -- Grammar]

Panini's grammar of Sanskrit written in the sixth century B.C., is the earliest linguistic description of the language and is the source and inspiration for the development of comparative philosophy and modern linguistics. The Astadhyayi remains the most correct and complete grammar ever written and is considered a model for all grammars. Sumitra M. Katre's expert translation of the Astadhyayi is the first English translation of the work to use Roman transliteration for the Sanskrit text. Not only scholars of Sanskrit but also general linguists will find accessible this new presentation of the classic work which relies on letters, italics and small capitals to

visually present the operation of Panini's metalinguistic technique. This work also consistently indicates the manner in which the ellipsis created by the formulation of Panini's strings of aphoristic rules is to be filled in by using his own metalinguistic procedures. Included are helpful appendices and lists.]

[Grammar, Sanskrit -- Paninian semantics commentary
 The Vaiyākaraṇasiddhāntabhūṣaṇa, also known as the
 Vaiyākaraṇabhūṣaṇa, is a commentary on the great
 17th-century grammarian Bhaṭṭoji Dīkṣita's
 Vaiyākaraṇamatonmajjana, written by Bhaṭṭoji's nephew
 Kauṇḍabhaṭṭa. It is one of the most important texts of the
 late Pāṇinian grammatical tradition on questions of
 semantics. The main intention of Kauṇḍabhaṭṭa's
 commentary is to refute objections raised by proponents of
 the two rival systems of Logic (Nyāya) and Exegesis
 (Mīmāṃsā) on various aspects of semantics, and to establish
 the Grammarians' views on these subjects.]

India's Agony over Religion. (SUNY Series in Religious Studies) xiv,393p. Albany 1995 9780791424124

SUNY (54177) Pap ₹3885

[India -- Civil religion -- Religion and state -- History
Many of ancient India's religious traditions are alive in modern India, and many of these religious traditions are in conflict with one another regarding the future of India. Even the so-called "secular state" is deeply pervaded by religious sentiments growing out of the Neo-Hindu nationalist movement of Gandhi and Nehru. A careful analysis of the current religious scene when placed in its proper long-term historical perspective raises interesting questions about the nature and future of religion not only in India but elsewhere as well.]

Hindu Studies Series) xii,304p London 2022

9781032232867 Routledge (52992) Pap ₹9475

[Tantrism -- Early works to 1800

This book on the Tripurārahasya, a South Indian Sanskrit work which occupies a unique place in the Śākta literature, is a study of the Śrīvidyā and Śākta traditions in the context of South Indian intellectual history in the late middle ages.

Associated with the religious tradition known as Śrīvidyā and devoted to the cult of the Goddess Tripurā, the text was probably composed between the 13th and the 16th century CE.]

The Literary Life of Yājñavalkya. (SUNY series in Hindu Studies) 348p. 2024(23) 9781438495637 SUNY (53106) Pap ₹6186

[In this fascinating study, Steven E. Lindquist investigates the intersections between historical context and literary production in the "life" of Yājñavalkya, the most important ancient Indian literary figure prior to the Buddha. Known for his sharp tongue and deep thought, Yājñavalkya is associated with a number of "firsts" in Indian religious literary history: the first person to discuss brahman and ātman thoroughly; the first to put forth a theory of karma and reincarnation; the first to renounce his household life; and the first to dispute with women in religious debate. Throughout early Indian history, he was seen as a priestly bearer of ritual authority, a sage of mystical knowledge, and an innovative propagator of philosophical ideas and religious law.]

Tantric Communities in Context. (Beiträge zur Kultur-
und Geistesgeschichte Asiens, Band: 99) xviii,602p Wien
2019 9783700183785 Österreichische Akademie der
Wissenschaften/OAW (50606) ¥25668

[From the middle of the first millennium CE, South Asia
saw the emergence and rise of Tantrism within all of its
major religious traditions: Śaivism, the Vaiśnava Pāñcarātra,
the Buddhist Mantrayāna, and Jainism. Despite the fact that
Tantrism grew to become such an integral part of the
religious landscape, our understanding of how early Tantric
communities were actually organized and how they
positioned themselves in society is still limited. This
collection of articles by leading scholars offers new insights
into the socio-religious history of premodern Tantric
traditions.]

Mishra, Godabarisha (ed.)

**Vedānta without Māyā?: a debate on
Saptavidha-anupapatti = Māyāvirahitah Vedāntah?**

Saptavidhānupapattivisaya vādah. xviii,359p Delhi 2015
9788120839793 Motilal (52596) ¥3578

[Vedānta -- Avidyā -- Advaita -- Congresses
Saptavidha-anupapatti represents a live-debate in the
traditions of Vedānta initiated by Ramanujacarya. The
central issue of this debate is to examine whether
maya-avidya, postulated by Advaita-vedant, is
philosophically sustainable, logically viable, and
experientially reliable. While Sankara builds up the
superstructure of Advaita on the basis of this concept,
Ramanuja vociferously reacts to its philosophical ingenuity.
This dispute between the Advaita and Visistadvaita schools
with seven objections, which forms the manor theme of this
book, has been going on for more than a millennium and is
alive even today among Vedānta scholars.]

Nicholson, Andrew J.

Unifying Hinduism - Philosophy and Identity in Indian Intellectual History. 280p Hyderabad 2016

9788178244730 Orient BlackSwan (52419) ¥2678

[Some postcolonial theorists argue that the idea of a single system of belief known as "Hinduism" is a creation of nineteenth-century British imperialists. Andrew J. Nicholson introduces another perspective: although a unified Hindu identity is not as ancient as some Hindus claim, it has its roots in innovations within South Asian philosophy from the fourteenth to the seventeenth centuries. During this time, thinkers treated the philosophies of Vedanta, Samkhya, and Yoga, along with the worshippers of Visnu, Siva, and Sakti, as belonging to a single system of belief and practice. Instead of seeing such groups as separate and contradictory, they re-envisioned them as separate rivers leading to the ocean of Brahman, the ultimate reality.]

Pande, Govind Chandra

Life and Thought of Sankaracarya. 384p Delhi 2011 9788120811041 Motilal (52595) ₹4478

[It attempts to reconstruct the life and thought of Sankara on historical principles, i.e., to determine the age and biography of Sankara and also his original ideas and writings within this framework. It is primarily based on the first-hand study of the corpus of Sankara's writings or writings attributed to him, in the original, and on a critical and comparative study of all of his available traditional biographies. The works of his near contemporaries like Dharmakīrti and Santaraksita, Kumarila and Mandana, as well as of his disciples like Suresvara and Padmapada have also been fully utilized as also those of others who like Gaudapada, Bhartrhari or Bharuci preceded him or who like

Bhaskara, Vacaspati Misra, and Sarvajnatma Muni came later but were not too far removed. The general literary works and epigraphic records of the age have been used where relevant. Traditional and modern interpretations of savants, philosophers, scholars and historians have been duly considered.]

A Cultural History of Hinduism. 6 volumes set 6 vols.
London 2024 9781350024434 Bloombury (53082)
₹106920

[India -- Hindu civilization --
How has Hinduism been shaped over time? What are continuities and changes in its cultural history of textual, social, ritual, visual, political, philosophical, and theological perspectives and practices?
Spanning over 4,000 years, A Cultural History of Hinduism provides an authoritative survey of one of the world's oldest religious traditions in its social and cultural contexts, from ancient times to the present. With 55 experts from academic disciplines such as history, religion studies, art history, anthropology and philosophy, the work represents inclusive narratives and aims to generate new cultural history questions.

Capter titles are identical across each of the volumes. This gives the choice of reading about a specific period in one of

the volumes, or following a theme across history by reading the relevant chapter in each of the six.

The six volumes cover:

- 1 – Antiquity (2000 – 200 BCE); ed. by J.L. Whitaker
- 2 – Classical Age (200 BCE – 800 CE); ed. by Adheesh Sathaye
- 3 – Post-Classical Age (800 – 1500); ed. by Karen Pechilis
- 4 – Age of Empires (1500 – 1857); ed. by Valeries Stoker
- 5 –Age of Late Colonialism (1857 – 1947); ed. by Gwilym Beckerlegge
- 6 – Age of Independence (1947 – 2017), ed. by Amanda Lucia & Maya Warriar]

Dvaita Vedanta Philosophy. (Encyclopedia of Indian Philosophies, 18) 610p Delhi 2016 9788120836464 Motilal (50434) ₹9900

[Madhva, the founding figure of the Dvaita system of philosophy, states the major tenets of his philosophical system in a nutshell in his Mahabharata-tatparyanirnaya 1.70-71: "The flow of the world is real together with its five fold difference. These differences are permanent and will continue forever. These differences will continue ever after liberation. The hierarchy of the jivas will also continue even after liberation."]

Bhāviveka on Sāmkhya and Vedānta: the Sāmkhya and Vedānta chapters on the Madhyamakahrdayakārikā and Tarkajvālā. (Harvard Oriental Series, 78) ix,221p Cambridge, Mass. 2015 Harvard U.P. (50481)

₹ 7965

[For anyone interested in an epoch of almost unrivaled intellectual activity and debate in India, the sixth-century Madhyamakahrdayakārikā along with its auto-commentary, the Tarkajvālā, is an indispensable resource. This partly doxographical treatise, composed by the Madhyamaka philosopher Bhāviveka, is the earliest and most substantial work to present and critically examine Śrāvaka, Yogācāra, Sāmkhya, Vaiśeṣika, Vedānta, and Mīmāṃsā in great detail. The present book includes a critical edition and English translation of the Sāmkhya and Vedānta chapters.]

Puruṣa: Personhood in Ancient India. 296p. Oxford 2024

9780197693605 Oxford U.P. (53253) ₹17253

[Personhood is central to the worldview of ancient India. Across voluminous texts and diverse traditions, the subject of the puruṣa, the Sanskrit term for "person," has been a constant source of insight and innovation. Yet little sustained scholarly attention has been paid to the precise meanings of the puruṣa concept or its historical transformations within and across traditions. In *Puruṣa: Personhood in Ancient India*, Matthew I. Robertson traces the history of Indic thinking about puruṣas through an extensive analysis of the major texts and traditions of ancient India.]

Empire Inside Out: Religion, Conquest, and Community in Kṛṣṇadevarāya's Āmuktamālyada. (AAR Religion in

Translation) 264p. Oxford 2024 9780197776223

Oxford U.P. (53237)

¥14337

[Examining the interplay of religion, history, and literature through a case study of King Kṛṣṇadevarāya's celebrated Telugu poem Āmuktamālyada, Ilanit Loewy Shacham showcases the groundbreaking worldview that this often-overlooked poem embodies. Kṛṣṇadevarāya (r.1509-1529) ruled over the Vijayanagara Empire during its heyday, and his monumental poem situates all power and authority not in the imperial center, but in the villages and temples at the empire's outskirts; not in the royal court, but in a religious community - a worldview radically different from how literary and political histories portray the king and his empire.]

Nirvan Dating of Tirthankar Mahavira Swami: The Anchor Point of History of India: Proceedings of the 2022

Symposium in Pune, India. 357p. Delhi 2024

9789359660530 Motilal (53872)

¥4478

[Pankaj K. Shah noticed that the nirvan (death year) dating of the 24th Jain Tirthankar ranged from 470 BCE to around 1300 BCE, despite all Jain sects believing in 527 BCE as the nirvan year of Mahavir. He also noted the Buddha Nirvan Dating Symposium organized by Prof. Heinz Bechert in 1985 in Gottingen, Germany, which was attended by over 100 scholars from around the world. Based on the extensive proceedings of this symposium, it was observed that the

nirvan datings of Buddha and Mahavir were considered inseparable, with Mahavir's nirvan being dependent on Buddha's nirvan dating, as perceived by numerous scholars and historians.]

Sharma, Chandradhar

A Critical Survey of Indian Philosophy. 415p Delhi
2016(1960) 9788120803657 Motilal (50505) ₹1238

[The present treatise is a critical study of different systems of Indian Philosophy based on original sources and its principal value lies in their interpretation. On almost all fundamental points the author has quoted from the original texts to enable the reader to compare the interpretations with the text. The book opens with the survey of Indian philosophical thought as found in the Vedas, the Upanisads and Bhagavadgita. It proceeds to the study of Materialism, Jainism and Early Buddhism, Sunyavada, Vijñanavada and Svatantra Vijñanavada. It expounds the tenets of the six systems of Indian Philosophy with special reference to Sankara, the pre-Sankara and the post-Sankara Vedanta, and the essentials of Buddhism and Vedanta in comparison and contrast.]

Tiwari, Devendra Nath

Dynamics of the Language. 2 vols. New Delhi 2022 9788124610749 D.K. Printwpr;d (54611) ₹18000

[Sanskrit -- Philosophy -- Etymology -- Cognition

Unlike linguistic and analytic philosophies, the book is a philosophy of language. Unlike meaning-centric philosophies popular in the East and West, the language-centric approach of the book is based on the expressive nature of language.

Based on cognition as it flashes, on active theory of knowledge and action-oriented view of language and its meaning, it reflects on problems, doubts, paradoxes and queries for clarity and resolve, and on that basis, utility and future of philosophy as well.]

Mimamsanyayasamgraha: a compendium of the principles of Mimamsa. (Ethno-Indology, 5) 905p Wiesbaden 2010 9783447057226 Harrassowitz (52637)

¥30636

[The present edition and translation of the Mimamsanyayasamgraha by James Benson is a most welcome exception in two respects: On the one hand it makes accessible the major premises and topics of Purva-Mimamsa to students and scholars in a rather simple and brief manner. On the other hand it represents the first translation of a work from the late 17th century, i.e. from the "new school" of Purva-Mimamsa. So far no major texts from this period are available and little is known about the school's developments

and changes in those times.]
