A Companion to Sanskrit Literature. 828p. Delhi 2016
9789359711775 Motilal (53874) ₹6727

[A Companion to Sanskrit Literature, the first work of its
kind, covers a period of nearly 3500 years from the Vedic
age down to the modern times. It seeks to acquaint the
reader, within a brief compass, with the contents of
outstanding works and authors in Sanskrit literature,
followed by up-to-date bibliographies.]

27

Becker, Donald A.

A Reverse Dictionary of Urdu. 261p. New Delhi
2021(1980) 9789390729975 Manohar (54176)

₹6750

[Becker has compiled A Reverse Dictionary of Urdu.
Reverse dictionaries, i.e. lists of words arranged
alphabetically according to their final rather than their initial
letters, serve the needs of a variety of users. To linguists
interested in the processes of word derivation employed in a
given language, a reverse dictionary provides an instant
'read-out' of all important words ending in a particular suffix
or stem. Poets and students of poetry may use a reverse
dictionary as a source of rhyming words... It contains

approximately 39,000 words (including many personal and
geographical names).]

Gibson, Luke

Reading Sanskrit: A Complete Step-by-Step Introduction with Texts from the Buddhist Tradition. 480p. N.Y. 2025

9780231221238 Columbia U.P. (53309) ¥8850

[Unlike most textbooks, Reading Sanskrit devotes as much attention to the formation of individual words (morphology) as to the various, frequently unfamiliar ways those words combine to form sentences (syntax). This approach equips students with invaluable linguistic insights into Sanskrit usage and style, enabling them to engage more confidently with original Sanskrit texts.]

[Sanskrit language -- History -- Grammar]

This book is an attempt to bring to Indians and others the great treasure that is Sanskrit. It gives readers an overall idea of what the Sanskrit language is; how ancient the language is; its contributions to the world; the origins of the language and how it is related to the other languages of the world; how it evolved into the currently spoken Indian languages and still continues to be India's lingua franca; the great amount of literature available in the language; how to analyze and appreciate the language; and finally, how, we, in the modern era, can reclaim the language for ourselves.]

Father Tongue, Motherland: the birth of language in South

Asia. 360p. 2025 9780670099740 Penguin Hamish Hamilton (54309) ₹3146

[In Father Tongue, Motherland, Peggy Mohan looks at exactly how the mixed languages in South Asia came to life. Like a flame moving from wick to wick in early encounters between male settlers and locals skilled at learning

languages, the language would start to 'go native' as it spread. This produced 'father tongues', with words taken from the migrant men's language, but grammars that preserved the earlier languages of the 'motherland'.]

 Rājacudāmani Dīksita
Kāvyaadarpanah of Rājacudāmani Dīksita. ed. by Lakshminarasimham S. et al. (Amātamahotsavagranthamālā; 29) 1006p. New Delhi 2004 9788197204524 Central Sanskrit Univ. (53907)
 ₹2832
 [It is a text in Sanskrit poetics consisting of 10 chapters (Ullasas) authored by Srirajacudamani (17 CE). The text follows the pattern of the Kāvyaaprakāśa of Mammata (11 CE) and deals with in detail every element of a poem such as the characteristics (kavyalakṣaṇa), types of a poem (kavyabhada), emotions (Rasa), merits (Gufa), figures of speech (Alankāra), etc.]

 Rajpopat, Rishi
Pāṇini's Perfect Rule: A Modern Solution to an Ancient Problem in Sanskrit Grammar. 288p. Cambridge, Mass. 2025 9780674297647 Harvard U.P. (53323) ₹7965
 [A new interpretation of a 2,500-year-old Sanskrit text upends millennia of debate and affirms an ancient linguist's remarkably sophisticated grammatical system. Linguist Rishi Rajpopat lays out a novel interpretation of Pāṇini's grammar, focusing on Pāṇini's only rule dealing with rule conflict, known as 1.4.2. Pāṇini's Perfect Rule shows that the Aṣṭādhyāyī indeed functions like a well-oiled machine, capable of handling challenges without any of the complications introduced by later scholars.]

 Rao, Mani
Kalidasa : Selected Poetry and Drama 336p. Gurugram 2025 9789369895205 HarperCollins ₹2695
 [Through her remarkable translations, Mani evokes in all its richness the vibrant montage of life in ancient India that Kalidasa depicted in his works: one replete with kings-queens-jesters-sages and abounding in romantic intrigues and promises, misunderstandings and betrayals; where humanity and nature intertwine, and characters negotiate their freedom within the framework of duty and destiny. She weaves into the renditions textual interludes for clarity, restores the names of personas otherwise denoted by their roles in the plays, and uses contemporary language to help the reader relate to the characters and contexts, while faithfully capturing the lyrical beauty in the texts in all its charm and intricacy.]
 153

Turner, R.L.

A Comparative Dictionary of the Indo-Aryan Languages. 4 vols. Delhi 2008 repr. 9788120816657 Motilal (50961)
₹22478

[In this book, originally planned to be a volume of the Linguistic Survey of India, the author has tried to do for these languages in their development from Sanskrit something of what Meyer-Lubke in his Romanisches Etymologisches Wörterbuch did for the Romance Languages and Latin. Under some 15000 Sanskrit head-words are set out forms each has assumed both in Middle Indo-Aryan (Pali, Sanskrit, etc.) and in the modern languages, thus presenting a picture of linguistic development over some three millennia. The words quoted in this way number about 140000. This volume, compiled by Lady Turner, contains indexes, arranged language by language, of all these words.]
